MEMORANDUM

SUBJECT: Response Costs Recovery  
Carrier Air Conditioning Superfund Site  
Collierville, Tennessee

FROM: Peter Raack *Peter Raack*  
Office of Regional Counsel

TO: File

Pursuant to conversations I have had with counsel for Carrier, Russ Randle, the Region will not forward a proposed Cost Recovery Agreement to Carrier for payment of FY '92 costs as had been planned. Carrier has expressed an interest in paying pursuant to a billing letter. The amount, \$298,692.01, includes the entire sum that EPA currently knows about that was incurred in FY '92. This amount includes those costs recoverable under the RI/FS AOC (up to the signing of the ROD, September 3, 1992) and other response costs associated with the Site.
